Youth Programs at the Dixon Public Library

DIXON PUBLIC LIBRARY

Preschool Storytime

This program is for children who are ready for longer stories and activities. We'll be sure to include practice with letters, numbers, colors, and shapes along with fun stories, games, and crafts. We welcome children ages 3-5 and their caregivers at 10:00 a.m. on Tuesday mornings. This storytime session will continue through April 8th. No sign-up is required. Come join the fun!

Baby/Toddler Storytime

This program is for our youngest library patrons and takes place on Wednesday mornings at either 9:30 or 10:30 a.m. We'll share short stories, games, fingerplays, simple crafts, and the ever-popular parachute time. We welcome children ages 18 months-3 years of age and their caregivers to join us for this 30-to-45-minute gathering. This storytime session will continue through April 9th.   No sign-up is required.

Dungeons and Dragons Club

This group meets twice a month after school for fun D&D adventures. Anyone aged 11-14 is welcome to attend. Meetings will continue through April 21st and then resume again during our summer program. Email Channing at channing.stoudt@dixonpubliclibrary.org for more information including specific dates and times.

Afterschool Family Events

We invite the whole family to join us once per month for our after school family programs. All programs meet on Thursdays from 2:30-4:30 pm. No prior registration is required.

March 20th: Dragons!
April 10th: Spring Craft Fun!

Coding Clubs

These groups meet twice per month on Thursdays beginning January 16th. Participants will have fun while learning basic computer coding skills. These events are geared toward youth in grades K-8. Families may choose to attend one of four different time slots, but we ask that you let us know which time you plan to attend when you register. We have scheduled one meeting to be convenient for homeschool families. It meets from 10:45-11:30 am. Three other time slots are offered after school, one at 2:45-3:25, one at 3:30-4:10, and the final session will run from 4:15-4:55. Since space and equipment are limited, prior registration is required. Contact the youth department for more information. You may sign-up by calling 815-284-7261, ext 2.
